Dear Resident:

RE: River's Gate Homeowners Association – 2026 Annual Fees

As a property owner in the Community of River's Gate, you are a member of the River's Gate Homeowners Association ("RGHOA"). The RGHOA is a not-for-profit organization which manages select community assets for the benefit of its residents. In order to fund the expenses related to managing those assets, an encumbrance is registered on all property titles in River's Gate which allows the collection of fees from its membership. This is done in accordance with the encumbrance and Bylaws of the RGHOA.

Fees are determined annually by the Board of Directors based on the annual operating budget. The 2026 annual fees have been set for the fiscal year January 1, 2026 - December 31, 2026 below;

- **Gated Properties (45 lots) - \$993+GST**
- **Non-Gated Properties (101 lots) - \$835+GST**

We are aware this annual HOA fee will be a significant increase. We will work continually to minimize expenses and explore cost-saving measures throughout the year. The 2026 budget approved by the RGHOA Board of Directors is included.

We understand that any increase in fees can be challenging, and we assure you this decision was made after careful consideration. Our goal is to maintain the high standards and property values of our neighbourhood while keeping our financial position strong.
